Dear Alisa,

thanks for the lovely encouraging and empowering reply. again thank you for the phone card. I already got it from Haile. if you will need me for the connection to get children I am available. I am kindly willing to help whenever you need me. for the expense, if you cover the the expense of phone card, it would be great for me.

another thing I would like to ask you is to get me some books in Psychology area. you know I am attending evening class BA program in Psychology at A>A university. I am a 3rd year student. so if it possible for you to support me in books supply it would be valuable and meaningful. for a time being I will need books in

Educational Psychology

Psychology of Deafness

Reaserch meathods in Psychology

any books about Special needs children or Special needs education

my private address is

p.o.box 13990

Addis Ababa

Ethiopia.

tel 0911835623 mob

tel 0116622564 home

if you could help me to get those books you will make me fill like a queen.

About ato Leykun

now you have got realy a well experienced, practical, effecient and organized person. I have a great confidence on him. he knows very well what he is doing. it is very important and reasonable to have such person on this very sensitive position.

I wish you all the success you can imagine to have in your ploan and work.

I will keep in touch.

On Monday I will have an exam on the topics of person with different disability. I hope I will manage to do it well.

Looking for ward to hearing from you.

with warmest greetings and kindest regards for all kindest things you are doing.

Lot's of Love

Tsedale.
